## Homework Policy

### Introduction

At Jubilee Park Primary School we believe that homework is an opportunity for children to consolidate and refine learning that has been taught in school. We recognise that 'home time' is an important part of 'family time', and as such, homework tasks are not compulsory. Pupils will never be criticised for not completing it. We also believe that other activities such as, attending local clubs, spending time with their family and friends is vital in becoming a healthy, confident individual. We recognise that sometimes it can be difficult to get the right balance between homework, clubs and a family life and we believe that children need time to relax and do nothing once in a while!

### Our Aims

- To reinforce work covered within the class
- To revise work previously taught
- To consolidate children's learning
- To help form positive attitudes to working at home including self-motivation and effort
- To involve parents in the work that children are doing in school and so further encourage effective home/school links
- To help parents to be aware on an ongoing basis of the standards that their child is achieving
- To provide further opportunities for children to develop their literacy, numeracy and digital competence skills at home

At Jubilee Park Primary School all homework will be voluntary as we recognise that families have busy lives. Homework will be provided for every year group. There will be:

- 1 piece of Literacy or Numeracy based work
- Reading Journals

All homework will be set on Google Classroom on a Friday for each class. Children can complete and turn in assignments to their teacher online each week. Teachers will make comments via Google Classroom where necessary and when appropriate group feedback may also be given.

It is hoped that the school's policy of working at home will help each child to develop a positive approach to work with the support of their parents, and will further parent involvement in their child's progress at school.
